SENATOR MCCREARY talks horse sense when he says: "The success of the democratic party should be paramount to individual aspirations and the watchword of our party now should be harmony and union. Our majority is not large and democrats should so act as to increase the majority rather than to reduce it. We should have home rule and local self-government in our party and no State committee of the democratic party should be authorized to remove members of local committees. The governing power of the democratic party should be as close to the people as possible and they should be made to feel that equal rights to all and exclusive privileges to none is still a democratic doctrine."

HON. GEORGE GILBERT, who has creditably represented this district in Congress for three terms, announces this issue his candidacy for the nomination again. His record in Congress has been an excellent one and on that record he is making his race. We have sought but the kindest feelings for Mr. Gilbert for we know he is a good democrat and a clever gentleman, but we are sorry he did not decide to let well enough alone and be satisfied with the honors he has had. Lincoln county will furnish the nominee for Congress this time and Mr. Gilbert would have saved himself a good deal of time, worry and means by staying out of the race.

"A MAN is not fit to be a member of a county committee if he is willing to subordinate the harmony and welfare of his party to the promotion of any man's candidacy," said Congressman Gilbert in his speech at Shelbyville Monday and we heartily agree with him. Feeling that way, he should not want the committee of this district to rescind its action in voting for precinct conventions. If the gentlemen composing that committee believed it to be to the interest of the party to make the nomination by convention Mr. Gilbert's demand for a primary now is out of the question and in bad taste.

THERE will be no more county primaries in the Eighth Congressional district while Col. D. L. Moore controls several of the county committees.

"It is a peculiar fact that this end furnishes the democratic majorities for the district and the other end the candidates," said Mr. Gilbert in his opening speech. The Congressman seems to forget the fact that Shelby has furnished the timber for the last six years Lincoln county has not had a democratic nominee for Congress for about 75 years, but her time is coming and coming rapidly.

POLITICAL.

President Roosevelt has decided to appoint George F. White, of Macon, Ga., as United States Marshal.

New Jersey republicans held their State convention at Trenton and elected an unopposed delegation to Chicago.

President Roosevelt is said to have decided on Cornelius Bliss, of New York, to be chairman of the republican national committee, and J. W. Blythe, of Iowa, to be vice president.

Judge Allie W. Young, who is holding court at Owingville, denies the report that he is going to appoint 250 sergeants at arms at the democratic State convention to enforce his rulings.

The Alabama republicans in convention at Birmingham elected delegates to the Chicago convention and endorsed Roosevelt for president and Senator Fairbanks, of Indiana, for vice president.

After voting to eliminate Negroes from their party and maintain white supremacy, the Lily White republicans of Louisiana compromised and elected a white and a Negro delegation to the republican nominating convention with instructions to support Roosevelt.

Editor Walton, of the Lexington Democrat, has come out flat-footed for Hearst, but winces under the company of Allie Young and John Whallen, of Frankfort Journal. There you are again. We haven't come out flat-footed for any one for president. We were, however, inclined to Judge Parker until we learned so much of his backing. As a dyed-in-the-wool democrat we are suspicious of anybody whom August Belmont and Wall Street favor. We know how Hearst stands on all issues. If Parker has any views he keeps them to himself. Hearst only asks fair treatment and this we are willing to accord him and all whose names have been mentioned for the high office. As to the other proposition we are willing to plead guilty, that is if the two have formed a partnership. John Whallen's name and that of a decent democrat should not be mentioned in the same year.—Lexington Democrat.

An Open Letter.

From the Chapin, S. C., News: Early in the Spring my wife and I were taken with diarrhoea and so severe were the pains that we called a physician, who prescribed for us, but his medicines failed to give any relief. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand, gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be found in every household. H. C. Bailey, editor. This remedy is for sale by W. N. Craig.

John F. PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15 1/2 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Roderick; 2nd dam by a Denmark horse. Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should breed to Preston

1. Because he is the greatest show horse Kentucky ever produced

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$650; Miss Henrietta, owned by Gay Bros., that won premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.

He was sired by Tom Covington, 18902, he by Limber Jim, standard and registered. 1st dam by General Duke; 2nd dam by Warren Harris' Denmark; 3rd dam by old Crockett.

NOTE.—Tom Covington is a combined horse with a record of 2:28 1/4, trial 2:19, his dam was by Kentucky Chief; 2nd dam Parson's Abdullah. General Duke had a record in 1878 of 2:45, he was by Embury's Lexington, by old Lexington.
